Additional Instructions/Requests (What part of the label you want used):

Tips on getting label off in good shape: Soak overnight in hot water and a small amount of laundry detergent. Use a razor blade to start the label and then carefully pull it off. You can also use a hair dryer to heat the adhesive behind the label and peel it off. Dry the label between two towels with a book on top to keep it flat. Use the internet or call or email with any problems. All labels are different Dogfish Head labels are tough you have to heat them and then soak them (look those up)

You can always send the whole bottle and we can get the label off for \$2 each. Cheers!

Thanks for participating in our "Send Us a Label" service. We look forward to working with you to make a personalized keepsake from your own Label. Please read through the following before making the final decision on what label to send.

What to expect and when to expect it.

Processing and modification usually takes 10 business days after we receive it.

Buckle Description: 3" x 3" brushed stainless steel backed buckle fits 1 1/2" standard buckle strap Bottle Bottom is heat treated for strength and smoothness. Graphic is covered and sealed with a magical elixir formulated in cauldrons boiling over the fires of Mt Vesuvius. Don't worry its beer, liquor, and water proof.

Earring Description: 1.5" x .25" or .5" x .5" Putting the FUN in FUNky! We cut, polish, drill, and fire-polish the bottle glass from the neck. Then we cut out the coolest parts of the labels and glue them on and cover it with our magical elixir formulated in cauldrons boiling over the fires of Mt Vesuvius. Don't worry its beer, liquor, and water proof. The posts are French hook style or post style made from hypoallergenic surgical steel. The glass is durable and smooth as it is heat treated. Its also very light and probably the greatest earrings for lovers of beer that has ever been made.

Pendant Description: 1.5" x 1" with adjustable length black rubber cord. We cut, polish, drill, and fire-polish the bottle glass from the neck. Then we cut out the coolest parts of the labels and glue them on and cover it with our magical elixir formulated in cauldrons boiling over the fires of Mt Vesuvius. Don't worry its beer, liquor, and water proof. The glass is durable and smooth as it is heat treated.
